Mission Statement

Our mission is to promote the well-being of animals through SAVE: Spay/Neuter, Adopt, Volunteer and Educate.

Background Statement

The Woodford Humane Society provides extraordinary care for hundreds of homeless pets every day. Our average placement rate is 93% - three times the national average. With no government funding, we are completely dependent on private contributions to continue to provide excellent care to our pets.

Our open-door policy means that we take in animals in need, regardless of their temperament, health, age or breed as long as we have the room to accommodate them. All of our animals are evaluated based on health, known history and temperament before being placed for adoption. We get to know our animals well and provide the enrichment and the playtime they need to stay happy.

Adoptable animals are held for as long as health, behavior and space permit. We never set a time limit for adoptable animals to find a new home -- in fact, many animals have remained here a year or more while awaiting their new home. Cageless cat rooms and spacious play yards for our dogs keep our pets happy while they await adoption.

Impact Statement

2016 has been another successful year at Woodford Humane! Just a few of the many things our supporters made possible are:

1. An adoption rate of over 93%, which is more than three times the national average.
2. Finding more than 700 cats, dogs, rabbits and one adorable pig their forever homes.
3. Spaying and neutering more than 700 animals.
4. Supplying our pets with more than 8,000 lbs. of food.
5. Providing the animals with more than 1,600 vaccines.

Needs Statement

1. Monetary donations
2. Wet cat food
3. Dog and cat treats
4. Bleach
5. Paper towels

Description

Adoptions

Our adoption program matches people with pets. At any given time we are home to over 200 cats, dogs, puppies and kittens. We provide comfortable housing, medical care and plenty of love while they await their forever homes.

Humane Education

Our Humane Ed team focuses on encouraging responsible pet ownership. We are available to make presentations to classrooms, civic groups and others on a variety of age-appropriate topics. Our website offers resources to pet owners on behavioral and nutritional issues.

Volunteers

Our volunteer program involves the community. Monthly Volunteer Orientation sessions introduce potential volunteers to the many ways they can help the animals. Volunteers can work directly with the animals, or support our efforts through committees and fundraising work. There's a place for anyone who wants to help the animals!

Spay/Neuter

All of our animals are sterilized upon arrival to minimize health or behavioral issues, and they are ready to go home right away without having to wait for surgery. Our spay/neuter voucher program offers low cost surgery to pet owners who otherwise could not afford the surgery.
