Mission Statement: To strengthen our communities through creating high quality, long lasting affordable homes.

Impact Statement: In 2014 we built 20 new houses and invested \$673,925 in the repairs of 62 homes. Our goal is to keep on track with that this year. Part of what made our success possible was the 532 volunteers we hosted in 2014 who worked 8,656 hours. We would also like to serve more people in Breathitt, Leslie, and Knott counties. As a step toward that, in 2015 we will host our 3rd Annual Repair Affair in Knott County, where the local community will help repair six homes in one day. Moving forward, we would like to sustain these numbers and work on building stronger relationships with our faithful volunteers (...See Portrait for more information)
